Subject: Reclamation Surety Required, Long Ridge Rock Products, Long Ridge Rock Products Mine, S/049/0063, Utah County, Utah

Dear Mr. Smith:

The Division finds your Notice of Intention to Conduct Small Mining for the Long Ridge Rock Products Mine complete, however prior to conducting mining activities the Division must approve the reclamation surety. The reclamation surety is determined to be \$ 21,900.00 for the 5-acre project escalated to year 2011 and \$ 24,000.00 if escalated to 2013.

Please submit the reclamation surety and Reclamation Contract within the next 30 days. No mining related disturbance can be created until the surety is received and approved, and you have received written acceptance from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including cash, an irrevocable letter of credit, a certificate of deposit, or a surety bond. Please contact Jed Pearson at (801) 538-5382 or e-mail bondcoordinator@utah.gov for assistance in completing this requirement.

Thank you for your cooperation to help finalize this permitting action. In reply, please refer to file number S/049/0063.

Sincerely,
